WE LOVE YOU!

Dear Illustrious Sirs, Nobles, and Ladies,
It is with immense pride and gratitude that I address you today. Our mission at Shriners Hospitals for Children is to provide compassionate, innovative care that improves the quality of life for children and their families. We are dedicated to offering this care regardless of a family's ability to pay or insurance status.

Our hospitals are a beacon of hope, transforming the lives of countless children through medical expertise, advanced technology, and a commitment to holistic care. Each day, our dedicated staff works tirelessly to ensure that every child receives the best possible treatment, fostering an environment of healing and support.

As we continue our journey, let us remember the profound impact we have on the lives of these children and their families. Let us remain steadfast in our commitment to excellence and compassion, always striving to be a source of light and hope.

Together, we can make a difference. Together, we can continue to build a brighter future for the children we serve.

Thank you for your unwavering support and dedication.

Yours in the Faith,
James "JL" Mick Potentate 2025

Petition for Membership

Shriners International

beashrinernow.com

Shriners International is a fraternity that developed out of Freemasonry more than a century ago. Because of its history and tradition, the fraternity is dedicated to fun, fellowship and the Masonic principles of brotherly love, relief and truth.

There are many worthwhile reasons to join this well-known, respected fraternal organization:

Fun. A variety of activities and events – including parties, parades, trips, special-interest groups and community service projects – provide plenty of opportunities for Shriners and their families to spend time together and enjoy life.

Fellowship. Membership in the Shriners fraternity offers the invaluable opportunity to build camaraderie and lifelong friendships with other men of character and upstanding values.

Philanthropy. Supporting Shriners Hospitals for Children®, a pediatric health care system founded by the Shriners fraternity, offers a sense of personal fulfillment and satisfaction.

- Learn how to become a Shriner.
- Connect with your own Virtual Mentor who will walk you through the membership process step-by-step.
- Sign up to receive ongoing communication about community events and opportunities to interact with local Shriners.

For more information on how you can become a Shriner, please visit beashrinernow.com or calling toll-free (866) 925-7001.
