Dear Illustrious Sirs, Nobles, and Ladies,

As we begin 2026, I am filled with gratitude and pride to serve alongside each of you as members of El Hasa Shrine. This year is especially meaningful as we celebrate 120 years of El Hasa, a legacy built on service, fellowship, and an unwavering commitment to one purpose-helping kids.

For more than a century, our temple has stood as a testament to what dedicated individuals can accomplish when they come together with a shared mission. The successes of El Hasa are not measured in titles or offices, but in lives changed, families supported, and hope provided to children who need it most.

As we move forward, let us honor those who came before us by continuing the work they began. Let us strengthen our temple through participation, fellowship, and outreach-inviting others to join us, supporting our events, and ensuring that El Hasa remains strong for generations to come.

Above all else, let us never lose sight of why we wear the fez. Everything we do, every mile traveled, every hour volunteered, is for the kids. That mission has guided El Hasa for 120 years, and it will continue to guide us into the future.

Thank you for your dedication, your friendship, and your commitment to this great fraternity. I look forward to serving with you throughout the year ahead.

For the Kids,
Jeremy Lowe
Potentate, El Hasa Shrine

Petition for Membership

Shriners International

beashrinernow.com

Shriners International is a fraternity that developed out of Freemasonry more than a century ago. Because of its history and tradition, the fraternity is dedicated to fun, fellowship and the Masonic principles of brotherly love, relief and truth.

There are many worthwhile reasons to join this well-known, respected fraternal organization:

Fun. A variety of activities and events – including parties, parades, trips, special-interest groups and community service projects – provide plenty of opportunities for Shriners and their families to spend time together and enjoy life.

Fellowship. Membership in the Shriners fraternity offers the invaluable opportunity to build camaraderie and lifelong friendships with other men of character and upstanding values.

Philanthropy. Supporting Shriners Hospitals for Children®, a pediatric health care system founded by the Shriners fraternity, offers a sense of personal fulfillment and satisfaction.

- Learn how to become a Shriner.
- Connect with your own Virtual Mentor who will walk you through the membership process step-by-step.
- Sign up to receive ongoing communication about community events and opportunities to interact with local Shriners.

For more information on how you can become a Shriner, please visit beashrinernow.com or calling toll-free (866) 925-7001.
